

# Room Setup & Requirements

- Tables as close together as possible while still allowing servers and actors to move about freely
- A 10ft by 10ft open space in the middle of the tables.
- All lighting all the way up
- Food courses served between acts
- No table service, drink service or clearing during the acts of the show
- Actors will need a private place to change and store belongings during the show. This can not be a public restroom. Great places for entertainers to change are: storage closets, boiler rooms, the boss' office, unrented banquet rooms, coat rooms, etc.
